SOLS Board Summary

February 2018

Ministry Business Plan Submission

SOLS has submitted its 2018/19 business plan to the Ministry of Tourism, Culture and Sport. Business planning is an annual process in which SOLS reports on the previous year's achievements, provides detailed plans for the New Year and forecasts its future financial position.

Ontario Small Urban Municipalities Conference

SOLS will be participating in the trade show at the OSUM conference to be held in Niagara Falls in May. The purpose of our participation is to raise the profile of SOLS with municipal decision-makers and the MPPs who attend the conference. This will be the eleventh year that we have had a booth at OSUM.

AMO Conference

SOLS will be participating at the AMO Annual Conference as an exhibitor alongside FOPL, OLA and OLS-North.
