

SOLS Board Summary

October 2017

Municipal Trade Shows

For the seventh year, SOLS participated in the trade show at the Ontario East Municipal Conference which is held mid-September in Kingston each year. The purpose of our participation is to raise the profile of SOLS with municipal decision-makers and the MPPs who attend the conference. The exhibits at OEMC were open over two days and SOLS' Board members had the opportunity to speak with many delegates, reinforcing the value of libraries and SOLS.

AMO

SOLS participated in this conference for the first time in a number of years on the recommendation of the board. Barbara Franchetto attended the conference in Ottawa along with Kerry Badgley, who is or has been on a number of provincial boards, Stephen Abram from FOPL and library representatives from Wellington County.
